## WHY US?

CBC Tennis Spring Camp is a great way for your child to **make new friends**, **improve** their **tennis** and **athletic skills**, be active and come home at the end of the day as a **happy camper**.

During our tennis portion **we teach “right sized tennis”** for kids of all ages. Our instructors use the **Net Generation** format, curriculum and resources to help junior players learn new ways to experience tennis. Our focus is on getting kids ready to compete and have fun playing. In the afternoon our campers are fully engaged in fun filled **STEM** (Science, Technology, Engineering and Math ) based activities.
