

Coral Beach & Tennis Club

BERMUDA

BENEFITS OF MEMBERSHIP

The Coral Beach & Tennis Club is a private, members-only club situated within 26 acres of luscious sub-tropical grounds overlooking the spectacular South Shore in Paget parish. The club is centrally located in Bermuda, less than a 10 minute drive away from the heart of the city of Hamilton, yet serves as an oasis of casual elegance to escape the bustle of the rest of the island. Coral Beach is a place not only to enjoy with your loved ones, but also to connect with new people who share similar interests and grow your network of both locals and visitors alike. There is no better place to relax on the beach, dine with family and friends, play a game of tennis or squash, celebrate a special event, and bask in the unmistakable essence of traditional Bermudian charm than the Coral Beach & Tennis Club.
